ART GLASS LAMINATE

NO MORE BORING GLASS

“WE HAVE INVENTED SHOWER DRESSING”

# SHOWERS DESERVE TO BE COOL TOO

## ART GLASS LAMINATE BY VETRILITE

Shower enclosures come in many shapes and sizes, to fit your needs.

We have all seen them, we have all used them.

With Art Glass Laminate we can achieve 3 main goals for your:

- 1) Make hard glass stain not so visible (so you do not have to clean everyday, unless you want to).
- 2) Create privacy. Have you ever forgotten the door open and some family members pop in?
- 3) Finally and most importantly, use the shower enclosure as a decorative point to express yourself, if you are not free in your bathroom....where else?

# SHOWERS DESERVE TO BE COOL TOO

## ART GLASS LAMINATE

With our Art Glass Laminate, customers can feel free to create the bathroom they want, without the burden of high maintenance costs, high installation costs and high removal costs.

Art Glass Laminate is applied to the exterior of your shower enclosure by our expert installers and it can be removed by our expert installers and changed.

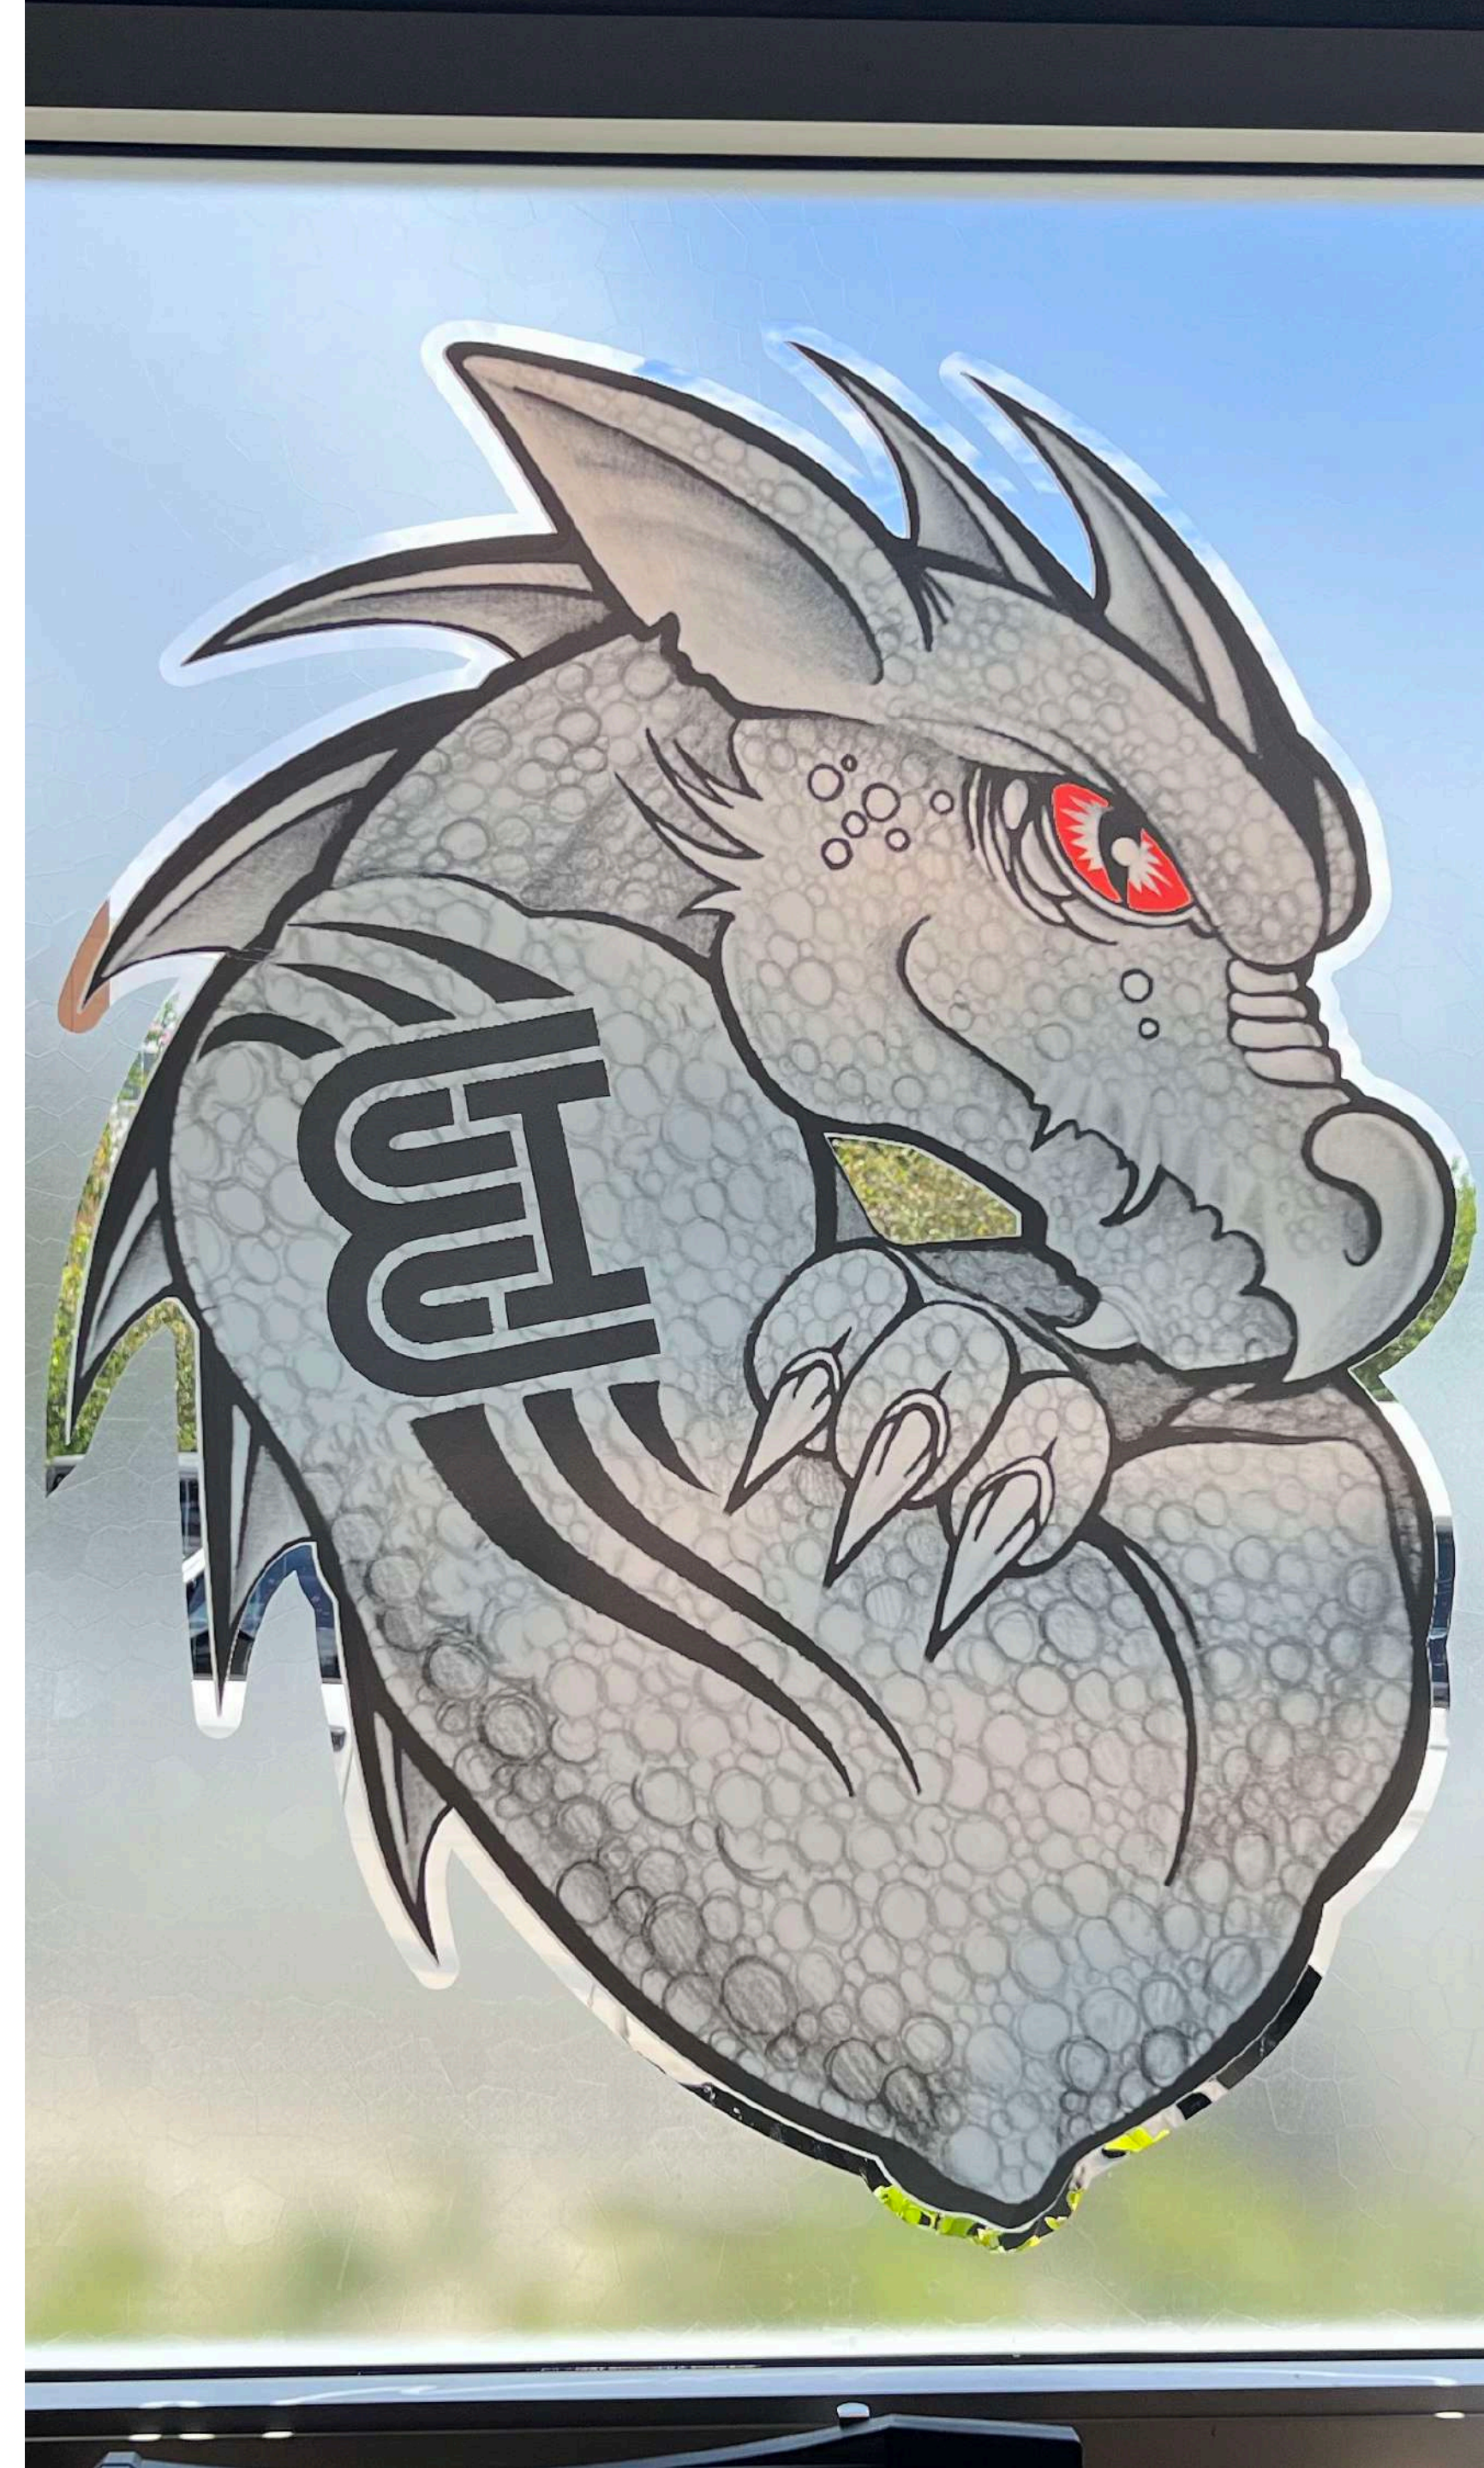

Your Shower enclosure can shine like you, can be fun as you, can be dramatic or inspirational as you.

Your Art Glass Laminate is a reflection (no pun intended) of who you are and what you want.

You do not need to follow rules, or dictates. Feel free to express yourself.
